Date: 26th March 2020

To: Members of the Business Community of Cape Town

Subject: **Business Support and Retention during COVID-19 Pandemic**

The City of Cape Town through its Business Support programs continues to commit resources to creating and maintaining an enabling business environment. During these trying times, the City would like to remain responsive to the needs of its Business Community. To do so effectively we are asking business to provide us with information on the impact of the COVID-19 pandemic on their operations by completing the attached questionnaire. The information will be kept confidential and will only be reported on at an aggregate level. Specific issues that you indicate that you would like to be addressed will be shared with relevant line departments and our partners in Provincial and National government.

Please email the completed questionnaire to Mr. Gerschwin Williams (contact details below) on or before Wednesday 08th April 2020. Should you have any queries, please direct them to anyone of the following members of the Investment Facilitation Unit:
